

# PAA Club Use of Airfield Policy

## Commitment

The Porepukah Airfield Association (PAA) is committed to managing the Porepukah Airfield for the benefit of users whilst maintaining safety and a positive relationship with neighbours in the Buckland Valley and the Alpine Shire Council who own the airfield.

## Scope

This policy relates to the regular use of the Porepukah Airfield by clubs, groups or associations (define herein as 'Clubs'). It does not relate to add-hock use of the airfield by Clubs which is detailed in the PAA Visiting Aircraft, Events and Fly-in Policy.

## Permission

- Clubs must seek permission to be based at or to operate regularly from the airfield.
- Aviation Clubs only will be granted permission to operate regularly from the airfield.
- Only one Club for each form of aviation will be granted permission to operate regularly from the airfield.
- If a Club is granted permission but then does not regularly use the airfield (regularly defined as at least once a month) then the permission may be revoked at the discretion of the PAA Committee.
- Permission to operate at the airfield will be governed by a Memorandum of Understanding (MOU) entered into between the PAA and the Club.

## Commercial Operations

- Clubs are not permitted to use the Porepukah Airfield for commercial operations of any kind. Commercial operations are defined as those operations conducted by a person or an organisation for the purpose of generating an income. This includes but is not limited to scenic flights and flight training.

## PAA Policies and Directions

- All users of the airfield which include Clubs and their members must follow PAA Policies and Procedures, regardless of whether they are directly members of the PAA.
- Each Club must nominate a single point of contact to liaise with the PAA on all matters.
- From time to time the PAA Committee or PAA ARO's may give directions to the Club around fair use of the airfield, safety or neighbourly noise complaints which must be followed.

## Responsibilities

Clubs, groups and associations (Clubs)  
All pilots  
PAA Members
