

PAA Signage Policy

Commitment

The Porepunkah Airfield Association (PAA) is committed to managing the Porepunkah Airfield for the benefit of users whilst maintaining safety and a positive relationship with neighbours in the Buckland Valley and the Alpine Shire who own the airfield.

Scope

This policy relates to all airfield signage.

General Signage

Signage can only be erected at the airfield following written permission from the Alpine Shire Council and also the PAA. When requesting permission artwork must be supplied.

Hangar Signage

Signage must conform to the following requirements

- Must be for business use.
- Must be contained within the gable section of the roof only and not extend past the roofline. It cannot be located on the walls or doors.
- Cannot be illuminated at night.

Business and Advertising Signage

Other than business signage on hangars (see above) business and advertising signage is only permissible

- at the entrance to the airfield on purpose built business signage frames of no greater promotions than the airfield safety signage frames. These frames will be divided into individual signage panels of approximately 1000mm wide x 500mm high, or
- below airfield safety signage panels of approximately 1000mm wide x 500mm high.

Business or advertising signage is not allowed on any other part of the airfield including gates, fences or free standing signs. Sponsorship or third party signage is not allowed.

Responsibilities

PAA and Alpine Shire for managing signage requests.
